CANDY

"Cock size is very important to me, and if a girl says it isn't she's just lying. When I fuck myself with my dildo I like a good seven inches, but when I'm with a man I don't settle with anything less than nine inches and it's got to be thick and fat too!" Well thanks for the confidence boost Candy, we really appreciate it!

"My hubby doesn't know that I had these photos taken for the magazine – I can't wait to see his face when he sees them! He's promised me a threesome, and I hope this'll get him horny enough to get the ball(s) rolling! I can't wait to feel a hard cock in my arse and pussy at the same time pounding away at me and filling me with hot cum!"

TRUE CONF

SEND YOUR CONFESSIONS TO: RAZZLE MAGAZINE, 20 LYON ROAD, HERSHAM, SURREY, KT12 3PU OR RAZZLE@PAULRAYMOND.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

TELL US HOW YOU LIKE TO EAT COCK

Giving blow-jobs is one of my favourite pastimes. I love doing it, and I reckon I'm a bit of an expert too. I've got a bit of a reputation for it, actually. Word got around that I sucked a good dick, and now everyone has nicknamed me 'Holly Head'.

I like to start with a cock totally soft. I rub it a bit to get it excited and then I start kissing it all over. I plant soft kisses all the way up and down the shaft and on the helmet. All the while, the cock is slowly growing before my eyes. I love watching dicks grow – it gets my cunt wet.

Then I begin to trace the tip of my tongue up and down the shaft, only making the lightest of contact. This is really teasing, because the bloke is desperate to feel my tongue on his cock. But anticipation is half of the fun. And anyway, I like being in control.

As I lick the shaft, ignoring the sensitive helmet at first, I blow on the wet saliva trail I have made to make it really cold. The bloke is usually moaning by now, and his cock will be mostly hard but not quite fully erect. Then I start flicking my tongue across the helmet, wriggling it against the japs-eye and twanging the banjo string. This is guaranteed to get the cock twitching.

Then I suddenly take the helmet in my mouth and start swirling my tongue around it, licking it all over and getting it really wet. This is about the time the cock reaches full hardness. That is the warm up over. The teasing and playing is finished, and now for my favourite part – some proper cock sucking.

I begin to slide my whole mouth over the helmet, bobbing it back and forth. I slowly increase the depth of my sucking, taking a little bit more cock each time my head goes down. I make sure I hold the bloke's thighs firmly in place - I don't let them do the thrusting just yet.

I keep sucking deeper and deeper, opening my throat, until I am sucking right down to the base and my lips are touching his pubes. A lot of blokes have never experienced this sort of deep-throat before, and they love it nearly as much as me. I give them a short demonstration of what I can do, taking their cock right down my throat for a few strokes.

Then, having got them all excited, I start on their balls. I keep wanking the cock with one hand while I nibble towards the bollocks. After licking them all over, I then take one in my mouth and suck it like a gobstopper. You have to be gentle when you're doing this, and it's also good to wiggle your tongue around with a bollock in your tongue around with a bollock in your mouth. It feels great. If I can manage it, I try and get the other ball in my mouth as well. Then I make a humming noise with my throat which causes my mouth, and the bollocks there within, to vibrate. That's a winner, trust me.

After dealing with the balls, I go back to the main course. I keep wanking the base of the cock while I suck on the top half, giving the head plenty of attention with my tongue and massaging the bollocks with my hand. I can sense when a bloke is nearing orgasm and when he is I go back to deep-throating.

I increase the pace so my mouth is sliding up and down the full length of his cock really fast. Sometimes, if a bloke starts thrusting his cock into me, I will open my throat and just let him fuck my mouth till he cums. Otherwise, I keep on deepthroating and ball squeezing till I get my salty reward.

I absolutely love the taste and feeling of spunk in my mouth. I see it as payment for the blow-job I've given. My favourite is when a bloke spunks right down the back of my throat and it goes down without me even having to swallow. That feels so downright fucking filthy. I also love taking it over my face – that is filthy too, and makes me feel like a porn star.

Of course, I squeeze and tease to get every last drop of jism out of the balls and into my belly. I like to gently suck the cock as it softens as well, and blokes seem to like it.

No two cocks are the same, and no two blow-jobs are the same. Sometimes they cum straight away, sometimes they take

ESSIONS

ages. But that is my general technique, though I'm always open to suggestions and will do pretty much anything!
Holly, Isle of Wight.

HAVE YOU EVER TUCKED INTO A JUICY BEAVER?

Cock is my favourite cuisine, but every now and again I have been known to chow down on some delicious cunt. The most recent time was with a bisexual friend off my course called Dani. She is really fit, with nice round tits, a stud in her tongue and a glint in her eye.

She'd often told me about the horny times she'd had with other girls, and I lapped up her stories. Secretly I used to wank over them, imagining it was me she was fingering, fisting and fucking.

We were at a loose end one afternoon, so we decided to go and shoot some pool. We had a few drinks as we played, and I couldn't help noticing Dani's tight butt as she bent over the table, or her pendulous tits hanging over the cushion when she played a shot.

I kept positioning myself opposite her when it was her turn and looking down her cleavage. We got quite drunk, and decided to get a bottle of wine in and go back to her room to listen to some music and chill out.

Anyway, back in her room we got talking about her sexual antics, as usual, and this time I admitted I masturbated over her stories. She didn't look surprised, but instead put her glass down and leaned over to kiss me. I was a bit surprised, but to be honest that was what I was angling for. I well fancied a go on Dani, especially seeing as she was experienced in lezzie sex.

She wasted no time, pulling my top over my head as her tongue explored my mouth. Still kissing me, she unclasped my bra and my melons swung free. Her lips moved down my neck until they closed over my bullet-hard nipples. I had goosebumps all over me as she licked and nibbled my nipples, sending pangs of lust straight to my cunt.

I ran my hand down between my legs, and she spread them eagerly. I rubbed her pussy through her trousers as she gorged on my nipples. Then she pulled away, got up and turned away from me. She bent over so her arse was in my face and slowly peeled her trousers off. She had no knickers on, and her lovely glistening pussy came into view between her legs.

As she kicked off her trousers, I accepted the invitation to eat her out. She spread her legs and I buried my face in her pussy, tonguing her slit enthusiastically. She started rubbing her clit and together we soon made her cum.

Then she stripped me naked and got me on my back on the bed, she pulled out a massive dildo from her cabinet. She coated it liberally in lube right in front of my eyes, all the while rubbing my clit and fingering me with one hand.

Then she told me she was going to give me a good fucking. She fingered me to get me juiced up, sliding two, three and then four fingers gently inside me. She clambered on top of me in the 69 position and told me to suck her pussy. I did as I was told, feeling her begin to ease the large love toy inside me.

It felt as though she was feeding it up me forever, and by the time it was inside it felt about two foot long. It felt fucking terrific, though, especially when she started thrusting it in and out and running her tongue around my clit. What a sensation!

Dani's expertise with a cunt brought me to a massive orgasm, my whole body trembling and cum actually gushing out of me for the first time ever. She loved that, and lapped it up, transferring some from her mouth to mine.

Dani says she will introduce me to fisting soon. I've told her I'm not sure, but really I can't wait. So if you're reading this Dani, and I know you love Escort, tell me when and I'm yours!
Sarah, Wales.

DO YOU TAKE IT UP THE ARSE?

I recently lost my anal virginity. I'd had fingers up my arse before, and sometimes I'd stuck a butt plug up my arse while I fucked myself with a dildo, but I'd never had a real cock.

I was keen to try, if a little apprehensive. I'd heard it could be really painful, but one of my friends told me that if it was done properly it was fucking amazing. I liked having a finger up my arse, so a cock seemed like the next step.

I was in the middle of shagging this guy called Nick who is a fuck-buddy of mine. He was fucking me doggy-style and I decided it was time to take the anal plunge. "Fuck me up the arse!" I told him.

He dropped a big gob of saliva over my ringpiece and began to work his finger inside my butt. After a while he inserted a second finger, which felt good. After a several minutes of probing I felt nicely relaxed and loose. I told him I was ready and he rested his bell-end against my puckered ring.

Slowly he nudged his hips forward and after a moment of resistance my arse gave way and his bell-end slotted inside me. It felt wonderful, and he held still as I slowly backed onto his shaft. As his cock disappeared up my arsehole, I felt like a dirty slut – great!

When it was fully inside me, Nick held it there for a while so I could get used to it. I was sighing with pleasure – I'd never felt so full before. Then he gently started to inch his cock in and out of my bum, building up a rhythm.

I started flicking my clit as Nick sped up, fucking my arse properly as I became more relaxed. It felt even better than I'd imagined and I had a wicked orgasm as I rubbed myself off, both holes clenching hard as I came.

What a peach of a body petite Kelly has! We couldn't help but gulp as we watched her peeling off one item of clothing at a time whilst posing for the photographer. Upon seeing the drool running down our chins and the distinct bulges protruding through our trousers she gave us a cheeky wink. "I'm very sorry, I seem to have that effect on men," she sighed. "Just make sure you put those cocks to good use on me once this photo shoot finishes!"

ROXI

Red's always been seen as a warning signal, so is that the case with you too, Roxi? "Well, what can I say? I'm not going to bite or anything – unless you want me to, of course! – so you don't need to worry about me attacking you, but yes, I think guys had better be on their toes when I'm about, because when I know what I want, there aren't many people who can stop me!" I don't suppose they'd want to stop you, would they? "Ha, probably not!"

SELINA

What is it with girls and dildos, why can't they just find a man and use his cock for their pleasure? "I would be more than happy to trade in my dildo collection for some meat but I'm afraid that if I had a boyfriend his cock would be red raw within the first week. So, I'm more a self pleasuring kind of girl who likes to have one night stands here and there!"

TRUE CONF

...CONTINUED FROM PAGE 27

Soon after that Nick said he was going to cum I and told him to do it in my arse. He thrust his cock in and out, grunting with pleasure and let fly with wave after wave of jism. I felt well fucked and well satisfied as my arse muscles clamped tight on his dick, only gradually liberating him. Now I want to have a cock in each hole at once. I think I might enjoy it.
Sonia, London.

HOW MUCH SEX DO YOU REALLY GET?

I live with my boyfriend Ian now, so we get plenty of opportunity to fuck. Mind you we were always at it even when we lived apart. Then we had to have sex all over the place because we couldn't always stay round each other's houses.

Once we were in a big posh shop in London and we were both feeling really randy. We hadn't seen each other for a week so Ian's balls were like basketballs and my cunt was aching to be filled. We had decided to do some shopping, but halfway through our sex drives got the better of us.

I was in the changing room with Ian as he tried on a pair of trousers. When he stripped down to his boxers I couldn't resist having a grope of his tackle. To my delight his cock was already semi-hard. As I massaged his shaft and bollocks with my fingers, his cock rapidly became as stiff as a board.

Ian looked at me like I was a very naughty girl to be doing this, but he offered no resistance when I started to slowly tug him off through his boxers. Then I slipped my hand inside to feel his warm hard cock. It was really straining against his pants and it clearly needed to be sucked.

I got down on my knees in front of my boyfriend and pulled his boxers down. He stepped out of them and pointed his cock towards my mouth. A glistening blob of pre-cum had formed on the tip of his swollen helmet, and I darted my tongue out to taste it. Then I licked his bell-end all over.

After tracing my tongue teasingly up and down his shaft, I stuffed his cock deep into my mouth till only his balls were visible. I knew I would have to be quick or security would be on to us (actually that might be quite interesting!) so I started to suck him off really deep and fast. I massaged his balls while I took his cock right down my throat, swirling my tongue around it.

To get Ian close to cumming, I licked all around his helmet while I jacked him off nice and fast. I could see in the mirror next to me that the curtain didn't quite fit on our changing room. I caught glimpses of people milling around the shop a few feet away. A couple of times people walked right past our room, and I thought once or twice, with a mixture of fear and excitement, that someone was going to come in. I could also hear someone getting changed next door, separated from us by just centimetres of wood.

When I sensed Ian was close to cumming, I plunged his cock back into my mouth. After a few strokes of my hot lips he began cumming. I squeezed his nuts gently as wave after wave of hot spunk splashed against the back of my mouth. It just kept coming, and it was a difficult job to swallow it all. I managed it though, not even spilling a drop.

I licked Ian's cock clean of cum and smacked my lips before handing him his boxers. He put them on and we sauntered out of the changing room like nothing had happened. It was a very daring and horny experience, and later on that afternoon Ian returned the favour by fucking me in the disabled toilet at McDonald's. These days we don't have to do things like that – but we still do because it is a fucking turn on!
Fiona, Croydon

HAVE YOU EVER HAD A THREESOME?

Before I met Ian I had quite a few sexual partners, and so did he. This is good because it means we are now both experienced and uninhibited in bed, so our sex is amazing! Some of the nights of fucking we have had have blown my mind!

A couple of years ago I was seeing a guy

ESSIONS

called Nick for a short while. His fantasy was to see me getting shafted by another bloke. I told him I wouldn't mind and we set it up with Nick's best mate Sean, who was a bit of alright. We met up, along with Sean's girlfriend Lara, at Nick's flat.

We had a few drinks to get everyone nicely relaxed, and then Nick suggested I sit on Sean's lap. I was a bit nervous about having sex in front of other people, as I'd never done it before. It was obvious Sean had no such qualms. When I sat on his lap I could feel his hard cock poking against me.

We started kissing and immediately he reached inside my top and unclasped mybra, pulling it out through my sleeve. Thenhe put his head up my shirt and began sucking on my nipples, making them rockhard and giving me goose bumps all over.I was getting very turned on. "Let us have a look!" said my boyfriend, so I pulled my top over my head.

Sean then stood me up in the centre of the room and sucked my hard nipples. Then he undid my skirt and let it fall to the ground. Warming to my role, I kicked it away to leave me standing there in just a skimpy G-string and boots. Then I undid Sean's jeans and pulled them down. I pulled off his boxer shorts to reveal a big hard cock. He pulled his top off while I got on my knees and started to suck him off.

After a short while, I felt someone tugging at my G-string from behind. I felt it being pulled to one side and then I felt an exquisite tongue exploring my moist slit. Out of the corner of my eye I saw Nick sitting on the sofa wanking, so I realised it must have been Lara licking me out. This made me feel sexy as hell – this was the first time a girl had been anywhere near my pussy.

She peeled my knickers off and I opened my legs and stuck my arse out to give her full access. In the meantime I deep-throated Sean and sucked his bollocks to moans of approval.

Then Nick said he wanted to see Sean fuck me. I lay on the floor on my back and Sean clambered on top of me. Holding my legs high, he eased the tip of his cock into my juicy hole. He slowly fed his cock into my cunt until I could feel his balls touching my arse. Then he began to pump me good and fast.

I lay back and let Sean fuck me. Nick was getting a good wank out of it, and I wasn't complaining because Sean was giving me a good fuck. Then Lara came over and put a pillow behind my head. She lifted up her skirt, took off her knickers and stood over me. I beckoned her own, eager to have my first ever taste of a pussy.

She squatted over my face and I closed my mouth over her smooth shaven cunt. It felt beautiful and I sucked away at her eagerly. I was reaching new heights of sexual ecstasy as Sean fucked me with his big cock and I licked Lara's gorgeous pussy. It wasn't long before I was cumming, my pussy clamping around Sean's hard-on.

Then Lara told me I was going to make her cum. This was a big turn on, especially when she actually came and I could taste her juices in my mouth and running down my cheek. The scene was clearly doing it for Nick as well, because just then he came over and started wanking in my face. He shot streaks of cum across my cheeks and into my mouth. He knelt over me and I sucked his cock clean. I came again for one last time just as Sean announced he was going to shoot. "Cum inside her!" said Nick, and his mate did just that, filling me up with his sticky spunk. That was a good session, and led to many more dirty sessions with Sean and Lara. Not with Nick, though – I split with him when the dirty get suggested I wank his dog off.

Marie, Manchester

HAVE YOU EVER DONE ANYTHING REALLY KINKY?

Plenty of things – but I'd never go so far as to wank a dog off! Sometimes Ian and I like to tie each other up and act out fantasies and role-plays.

One of our favourite and most frequent fantasies is that Ian has been a naughty boy and he's been sent to see the headmistress. I dress up in sexy silk stockings and suspenders, a short skirt and a blouse buttoned down to reveal my bra. I usually tie my hair back and wear my glasses to give me that school mistress air.

I go to the bedroom and wait for Ian. Then he has to knock before I let him in. Then he shuffles into the room and I give him a good telling off, telling him what a naughty boy he has been. All the time, he has a bulge in his pants. Then, I tell him that I'm going to have to punish him – that's when his bulge usually gets a lot bigger.

I order Ian to strip off. When he is naked I point at the bed and he obediently goes and lies down face up with a hard-on. Then I stand in front of him and let my hair down and take off my glasses. I get a silk scarf and straddle his chest. Carefully I tie his wrists to the bedstead so he is fastened securely and ready to be punished.

I stand up in front of him and seductively strip off until I'm completely naked. Then I sit at the end of the bed and start playing with myself, rubbing my breasts and squeezing my nipples. I start to finger myself in front of him and his cock jumps about and twitches like mad.

Then I stand over him on the bed and order him to eat my cunt. He meekly says, "Yes miss," and I sit on his face. While he is licking me out, I tease his tackle. I trace my nails up and down his cock, tickle his balls and touch his helmet very lightly with my tongue. It is all designed to tease him so he builds up a head of steam and is desperate to be sucked or fucked.

When he is ready, he breaks out of his bonds (I tie them loosely so he can break out) and suddenly he is the one in control. He grabs me roughly and throws me onto my hands and knees before giving me a damn good fucking. He is so horny by then that he flips me in to all sorts of positions and generally gives me a long hard fuck.

It is one of several role-plays we enjoy, and probably our favourite. It certainly does it for me, I always end up cumming by the bucket load!
